Story By T.E. Sanders

A man from the present and a man from the future fight the  
present to change the future.

Chili runs down the alleyway.

CHILI  
Hey! Wait up!

ZIGA  
I don't want any trouble.

Chili runs up to the Man.

CHILI  
And I don't want to give any. I  
just want some answers.

ZIGA  
Me too.

CHILI  
Who are you? Where are you from?  
How did you get here?...

ZIGA  
Whoa, keep the flame low.

Chili is confused.

ZIGA  
You ask too many questions too  
soon. My name is Ziga Yazzie, and  
I'm from Tejas in the year twenty  
two-thousand thirteen.

CHILI  
Twenty two thirteen? Is Tejas on  
planet Earth?

Ziga is confused.

ZIGA  
Yes.

Chili holds out his hand to shake Ziga's.

CHILI  
Nice to meet you, Ziga. I'm Chili  
Parsons.

Ziga looks at Chili's hand, then smiles.

ZIGA  
Ah, yes. I remember hearing about  
this is class.
