EXT. HOUSE - DAY

CHASE RYDER (20s), large build with a scruffy face and wears a woman's wig, closes the side door of a house and carries a backpack and a towel.

As Chase turns from the door and stops. There is a POLICE OFFICER holding a gun in his face.

POLICE OFFICER
Get down on the ground!

Chase puts his hands up.

POLICE OFFICER
Now!

CHASE
Cool, be cool.

Chase gets face down on the ground and the cop cuffs him.

POLICE OFFICER
Turn over and sit down!

The Officer tries to turn him over and sit him up, but Chase gives dead weight.

POLICE OFFICER
Stop resisting!

The Officer gets him turned over.

CHASE
I'm not resisting. I'm remaining completely calm.

POLICE OFFICER
Sit up or I'll tase you!

CHASE
That seems counter productive.

POLICE OFFICER
Sit up!

Chase sits up.

POLICE OFFICER
What's your name?

Silence.

(CONTINUED)

POLICE OFFICER

Don't make things difficult. I will pull out your wallet and find out myself. Do yourself a favor and don't make your situation worse.

CHASE

Chase Ryder.

POLICE OFFICER

Mr. Chase Ryder, why were you in that house?

CHASE

I was just having some fun. I didn't break in or steal anything. What's the big deal?

POLICE OFFICER

What's the story?

CHASE

(sighs)

If I tell the truth will I get off the hook?

POLICE OFFICER

Out with it!

CHASE

Alright, Geez. After I woke up at about noon...

BEGIN FLASHBACK

INT. CHASE'S MOM'S HOUSE - CHASE'S ROOM - DAY

Chase paces around his disgusting, but bare looking room as he bites and spits out his fingernails.

He grabs a backpack and looks at a notepad that has a small list written on it.

CHASE (V.O.)

I got bored and decided to go on what I call an "adventure"...

Chase grabs a joint and puts it in a Tylenol bottle, then throws it in his bag along with a pouch of chewing tobacco.

Chase picks up a dirty towel and a woman's Halloween wig off his floor, then tosses it into the bag.
