BEAR

I need a freakin' axe! There's this beehive high in one of the trees and I can't get to it. So I might as well chop it down.

Panel Six:

The monkey stares blankly at the bear.

MONKEY

The only forest we have here is the petrified forest.

BEAR

So!

Panel Seven:

The monkey and the bear both have their arms in the air yelling at each other.

MONKEY

You can't chop down a petrified tree!

BEAR

Why not!

MONKEY

It's too solid! YOU CAN'T DO THAT!

Panel Eight:

The Bear leans on the counter calmly and the monkey still looks angry.

BEAR

Then just give me a hat to throw and knock it down.
